Portfolio: Michael Kors

Michael Kors launched the largest initiative of its kind - to design, develop and install over 1,000 vendor shops across the U.S., Puerto Rico, Hawaii and Guam in less than 8 months.

Platform Table

The sophisticated feel of this platform table was enhanced with architecturally matched Macassar Ebony plywood and accented by polished stainless steel.

Built-in wardrobe fixture

The built-in wardrobe fixture features vertically hanging merchandise, with rails fabricated from polished stainless steel.

Aisle merchandiser

The feature merchandisers combined mannequin presentations and lifestyle branded graphics.

Costumer

Polished stainless steel costumers were featured at selected locations.

Leather benches

Benches were manufactured from custom dyed leather with polished stainless tubing.

Floor merchandiser

The floor merchandisers feature quarter sawn white oak with polished stainless accents.
